INSTRUCTIONS FOR FINAL SUBMISSION (LEAC)

LATEX INSTRUCTIONS FOR FINAL PAPER.

This document explains the procedure for preparing the latex template for the paper final submission.

First, all authors should only have the template variant “sigconf” as stated below:

```
1. \documentclass[sigconf]{acmart}
```

Then, include the following commands at the beginning of the document for preparing the manuscript to the LEAC workshop:

```
1. \acmConference[LEAC]{}{Workshop on Learning in Control. CPS-IOT Week}{May 18, 2021}
2. \settopmatter{printacmref=false}
3. \renewcommand\footnotetextcopyrightpermission[1]{} 
```
